

## **VOLUNTEERS NEEDED – BOARD OF DIRECTORS**

Vibrant Healthcare Alliance is a fully accredited, not-for-profit multiservice organization created by the merger of the Anne Johnston Health Station and Tobias House Attendant Care Inc. in 2017/ Vibrant has carried forward the commitment of both organizations to the creation of a dynamic client-centered approach to optimal health outcomes of individuals living in the GTA, particularly those with physical disabilities and other complex needs.

Vibrant is proud of its ability to meet the needs of its community by delivering high-quality innovative health and social care programs, including primary healthcare services, health promotion and prevention programs, attendant care and personal support, and community development initiatives. Operating out of four locations across Toronto, Vibrant provides services to more than 3,000 clients annually, many of whom identify as seniors and persons with complex physical disabilities.

Vibrant's Board of Directors is a dedicated, committed group of volunteers with professional expertise and experience in a variety of disciplines. Currently, the Board meets six times per year to ensure effective governance of the organization.

There is also a committee structure consisting of:

- Internal Affairs (Finance, Human Resources, and Quality and Risk)
- Governance and Nominations
- Resource Development and Communications.

These committees, comprised of both Board and community members, assist the Board to support the Chief Executive Officer in leading organizational operations.

The Board of Directors meet both in person at Vibrant's Anne Johnston Health Station site at 2398 Yonge Street (north of Yonge and Eglinton) and virtually.

Time commitment, depending on the committee meeting schedule, is three to six hours per month.

We are currently seeking individuals to fill three upcoming vacancies on the Board of Directors and are searching for residents of the GTA who share our passion for the mission, vision, and values of Vibrant.

Specifically, we are looking for people who have the following:

- Previous experience serving on a not-for-profit Board of Directors;
- Lived experience as member of one or more of the client communities Vibrant serves;
- Professional experience or expertise in healthcare management/delivery, financial management, government relations, fundraising, business development, and public affairs; and
- Networking connections with health and social care organizations.

We look forward to welcoming you to our active and dynamic team of Board members.
